

## YOUTH LEAGUES USA

Thank you for your interest in the services provided by Youth Leagues USA. We have developed a comprehensive registration management system based in large part on the requirements and feedback from years of working with people just like you. We would be delighted to meet with you and discuss in more detail how our system works and which of our products may best benefit your organization.

Youth Leagues USA has application development, database management, and customer service experience at the Club, League, County, State and National levels. The Youth Leagues USA system is designed to improve and automate your registration process. With our 'best practices' knowledge, gained from our years of experience, we ensure that you will have a smooth running registration.

## KEY SERVICES

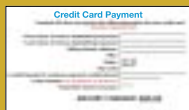

### Paperless, Online Registration

- Link to your custom registration forms directly from your organization's website
- Registration applications have your organization's logo and specific club contact information
- Register and pay for multiple players for multiple sports in a single session
- Each sport or age group can even have their own fee structure and questions
- Use our suite of custom reports for everything from financial management to ordering uniforms

### Online Payment

- Registration fees are paid via a secure site & directly deposited into your organization's bank account

### Mass E-mail Communication System

- Customized mass e-mail system provides efficient communication with your league officials, teams, parents, players, coaches and volunteers
- Save money and time by reducing paper mailings

### Easily Create Teams Online

- Quickly build balanced teams with the customized team management system
- Give age group commissioners access to their age group data for building teams
- View all available players, coaches, assistant coaches, managers, etc. and assign them to a team
- Print team contact and medical rosters & use the e-mail button to send an e-mail to all members of that team

### Promote Team Sponsorship & Increase Donations

- Create strategies for fundraising and sponsorships
- Provide them a receipt for tax purposes
- The donation report permits your organization to send a thank you note or e-mail to those individuals that have made a donation
- If you are looking for team sponsors, we add a special section to your registration form explaining your needs and requesting sponsors

### Total Privacy

- The system ensures total privacy and ownership of your club or league's proprietary data
- We never allow access to your data by anyone not authorized by you

## OTHER SERVICES

### Camp Registration Services

- Customized mass e-mail
- Keep track of paid and unpaid campers
- Customized camp applications including a “t-shirt report” and/or “ball report” to provide to your vendor
- Download a complete database file for that camp

### Tournament Services

- Online customized tournament applications for multiple or single tournaments
- Online database with “real-time information”
- Varying levels of user access
- Summary page of all teams
- Player profile system, including player data worksheet and college coach registration
- Track payments
- Volunteer and t-shirt order forms
